Why is everyone choosing to use the CORE Funeral business software to manage thier funeral business? (the Funeral undertaker, parlour & policy business administration software)

1. **Usually prospective customers call and ask why they should be using our software and not any other software.**
   a. The answer is a simple one. A proven track record over 12 years and smartly growing technological software.

2. **Why is the CORE funeral Software so affordable???**
   a. Because we do not charge unexplainable fees we are able to give you a guaranteed monthly fee that gives you amazing benefits and support all round.

3. **Why don't you give customers contracts?**
   a. The Core Funeral Business software is Pre-Paid. So every month you just pay for that month and if you do not wish to continue using our software you can just give us a call and stop paying.

4. **I have a branch in Giyani and one in the Eastern cape and one in Rustenburg, how can you help me?**
   a. The Core Funeral Business software can automatically link all your branches nationally and internationally across borders. Our software is secure and everyday you will get peace of mind knowing that the Team at Boitumelo Corporate IT are looking after your business.

5. **Wll your software help stop Fraud at my policy pay points?**
   a. We have a proven track record that s soon as 2 months after you start using our software, the amount of fraudulant policy payments will reduce drastically in your business.

6. **Does the CORE Policy Administration Software have Debit order and SMS Functions?**
   a. Yes and Yes. Core can run automatic debit orders to deduct premiums from customer accounts. CORE can send automatic sms to customers when they make a policy payment or on thier birthday or when they forget to pay or when they join or when dependants turn 21 and a lot more.
